

PT. PALTAC TRADING INDONESIA

About PT. PALTAC TRADING INDONESIA

PT. PALTAC TRADING INDONESIA is the Indonesian subsidiary of PALTAC Co., Ltd., a major Japanese wholesaler handling cosmetic, daily necessities, and over the counter (OTC) pharmaceuticals.

PT. PALTAC TRADING INDONESIA was established as part of a corporate strategy aimed at expanding overseas operations. We aim to contribute to Indonesian consumers, local retailers, and manufacturers by leveraging the trust cultivated in Japan and the expertise accumulated in wholesale and trade.

As a bridge connecting Japan and Indonesia, we support our customers' success in the global market. We provide comprehensive services for importing high-demand, high-quality, and innovative Japanese products into Indonesia, from assisting with registration with relevant government agencies to handling the actual import operations. Furthermore, we build bridges to new possibilities by supporting exports, helping to bring Indonesia's outstanding products across diverse sectors to the global market.

Vision & Mission

- MISSION -

Contributing to people's enriched and comfortable lives by creating "pathways" to deliver goods and things that are in demand around the world

- VISION -

"From Indonesia to the world and from the world to Indonesia"
Become a hub that can provide various values

- VALUE -

"Honesty and Trust"
"Aggressively challenge without fear"
"Be like minded and united"

About Our Business Activities

Importing Japanese and foreign products into Indonesia

Exporting Indonesian-made products to other countries

We are dedicated to building pathways to deliver essential supplies to people's daily lives into Indonesia and facilitating their distribution from Indonesia to global markets.

If you are a manufacturer looking to deliver products to the Indonesian market or expand your products from the Indonesian market to other countries, please feel free to contact us anytime.
